BIO

A self-taught fullstack developer with background in Architecture and Interior design.

First and foremost, as an architectural designer, I am a problem solver and have experience in finding non-obvious solutions at all stages of the design process. Proficient in creative thinking, time management, adaptive and hard-working, I am determined to apply my design skills in writing clear, efficient and smart code.

I am looking for a position as a Fullstack Developer.

TECH STACK

Back-end	Bootstrap 4	Version Control
Ruby	Javascript ES6	Node.js
Ruby on Rails	DOM Model	NPM

ENDORSEMENTS

Patrycja is creative and not afraid to experiment with ideas, good at receiving feedback. She is always dependable, organised and efficient
Zefa Mongan, MCM Architecture

I am impressed by how passionate, excited and inspired Patrycja is. She is always doing above and beyond. Her design is considered with attention to 'the why'.
Terri Scott, MCM Architecture
